ОЗЕРО

«Озеро» (или «Озёр») — это не только водоем, но и место, где можно отдохнуть, полюбоваться природой, покататься на лодке. В окрестностях Киева есть несколько таких мест. Одно из них — озеро в парке «Ботанический сад». Оно небольшое, но очень красивое. Вода в нем чистая, а вокруг — красивые деревья и цветы. В парке есть и другие озера, но это — самое красивое. Если вы хотите отдохнуть и полюбоваться природой, то лучше всего пойти в парк «Ботанический сад».
